

## **HANEY MEMORIAL PARK TREE DONATIONS**

The City of Colville, the Colville School District, and Kiwanis, cooperated to create an arboretum in 2001 that is home to the Haney Memorial Park. The Haney Memorial Park is conceived to be an integral part of the City of Colville. The Park will promote a restful tree-filled environment, outdoor recreation and serve as remembrance of our community's heritage while helping educate the community in the care and use of urban trees both now and in the years to come. Preserve the memory of a cherished loved one with a living legacy at Colville's Haney Memorial Park.

A minimum donation of \$600 will purchase:

**1 tree (2" or larger diameter)  
1 bronze plaque**

Donation amount includes purchase, delivery, planting and care of the tree of your choice. The plaque will include appropriate wording of your choice, inscribed on a 6" x 8" bronze plaque. Four (4) lines with 15 letter spaces per line will be allocated per plaque (please note, blanks between words count as a space).

Tree survivability is guaranteed for five (5) years.

Continuing care of your tree will be provided by the City of Colville and the Colville School District.

Donations may be made to the Haney Memorial Park at:
