Subject: Hawthorne Avenue Award

Hi Holly,

If possible, could you please add me to the agenda on February 14th? In January 2016 the Hawthorne Ave Phase 1 project won a Bronze award at the ACEC (American Council of Engineering Companies) in Bellevue. Then, just last month, Hawthorne Ave Phase 2 won a Gold award at the same conference. Along with Eric's help, we'd like to present those awards to the City. It should be very quick.

Thanks.

Matthew Gillis, PE | Sr. Project Manager
